**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This just looks like another power grab by big business. I have has Sonic.net for several years, and I depend on their services. Their big business competitors offer you a reduced rate (for a short time), then simply raise the rates to suit themselves. This is monopolization of big business services, and the customers have to accept, or disconnect. This is a country of free choice, and Sonic has provided excellent service. I do not desire to change. !!!!!
